Established in 1996, we are importer, stocking, warehousing and distribution to local Thai customers including up-country, Sales and Technical support for plating and surface treatment and all related processes and chemicals, and related equipment. Technical back-up and after sales services for chemicals and materials imported by BOI companies directly from oversea.

Facilities in Thailand:

Atomic Absorption Machine, UV Spectrometer, Stalagmometer, Centrifugal Machine, Salf Spray Machine, Other Basic and General Laboratory equipments, 7 Delivery trucks

Board of Directors:

Rachanee Duangtisud

Ramyong Soikham

Kittipong Phabumrung

**Product Logo Brand ( We imported product from Mihara Sangyo CO.,LTD.)**

Product By Mihara

**Brightener for Zine Plating**

Excellent stable plating film with bright, leveling, uniformity and corrosion resistance.

**Cr (III) Conversion Coating**

Cr (VI) free conversion coating.

High corrosion resistance and excellent conversion film with stable color.

**Chromate for Zinc Plating**

Existing Hexavalent chromium treatment agent.

Self-repairing film and high corrosion resistance.

**Coating Agent**

Good adhesion to conversion film.

Improve corrosion resistance and appearance.

**Zinc/High Nickel Alloy Plating chemical**

Stable high Nickle co-deposition film.

High corrosion resistance.

**Pre-treatment Chemical**

Pre-treatment is important process at surface treatment.

Resonably low cost and long-life, high performance pretreatment chemical is available.

**Equipment-Machine**

A full line of products used at plating factory.

**Cr Free Conversion Coating**

Complete chromium-free type

Next-generation conversion treatment coating.

**Zinc/Iron Alloy Plating Chemical**

Excellent stable plating film with bright, leveling, uniformity and corrosion resistance.

Alloy ratio is stable.

**Tin Zinc Alloy Plating chemical**

Alloy Plating film has excellent fabricating and soldering.

Soft brightness is available.

**Imported Products**

Raw materials for plating, effluent treatment chemicals, many more.

**Related Products**

Other related products.
