AIR FREIGHT : K LINE LOGISTICS (THAILAND) LTD.

AIR FREIGHT

Timing is everything

Where time is of the essence of certain shipments, airfreight is the natural choice. KLL (Thailand) understands why valuable time must not be lost. Our highly skilled employees care about your do. Processing and overseeing each detail of every stage, so your merchandise arrives safely and on time. That includes processing all the administration work, handling and documentation before and after the flight in accordance with the IATA/ICAO regulations.

We understand that the punctual, safe and cost-effective delivery of all your air cargo consignments is a fundamental aim of any freight organization. Whatever your shipment, urgent, high value or outsize cargo, our commitment to you is to provide the best solution for all your cargo aircraft. Using this knowledge, we aim to provide our clients with the right aircraft at the right time and the best price to meet all of your freight requirements.

Consolidation

This is the most popular and cost-effective way to effect freight movement. It is based on set flights during the course of the week where the allocation of space is pre-booked with the nominated airlines. The freight charge is reasonable price and cheaper on a direct master air waybill and it also means that flight details can be given quickly.

We facilitate our customers by making cargo consolidation (by Air/Sea) which includes the transportation of cargo to the stuffing the cargo into the container, processing shipping documents with customs, use of premium Air/Shipping lines and make sure that the well before the stipulated time given by the reputed customer. We follow very carefully all take
